

It takes a community to prevent a fall:
We all have a role to play!

November is Fall Prevention Month.

Falls are the leading cause of injury among older adults and **one-third** of those who fall will never return home.*

The Fall Prevention Month website has:

- Pre-planned activities, posters and social media posts
- Resources you need to make a difference in your community

Together, we can help keep people active, independent, injury-free and healthy.
